

# Men who pay for sex in Germany and what they teach us about the failure of legal prostitution

November 9, 2022 – One-day Conference in Berlin 09:00 – 17:00

*Simultaneous translation in German, Spanish, and English*

## Conference highlights

- Survivor/scholars from Germany, Ireland, Spain, Argentina, Israel and USA will present results of 6-country research on freiers, along with their own observations and analyses about freiers
- Remarks by German abolitionist Members of Parliament
- Feminist origins of the 1999 Swedish law on prostitution
- Connections between organized crime and legal prostitution
- A doctor's report on physical harms to prostituted women vs freiers' accounts
- Discussion about how research on 763 freiers in 6 countries was conducted in Germany, India, UK, Scotland, Cambodia, and USA
